WHITE GOLD DAY
OCTOBER 8th

VOL. XXII—No. 51 | Cypress, California, Friday, October 7, 1949 | Price 5c Per Copy

SATURDAY IS WHITE GOLD DAY

Said In Cypress

That we went bowling Monday night. We aspire to membership on the Cypress womens' team which bowls in the league. We have only to better our score by 50, and then we might be eligible as a substitute to wear one of the green insignias with the yellow letters which Thelma Essex made out of felt material for the Triangle Drive-inn team.

That the cutest model for White Gold Day's official garb is Billy Sanders, son of Mr. and Mrs. Carl Sanders, Jr. One year old on September 29, his blue jeans were a gift of his foster auntie, Helen Broadbelt.

That the teen-canteen has its ups and downs in its struggle to exist in Cypress. The first social affair which occurred at the school house last Saturday night which tested the advisability of combining low and high teen-age groups was not too successful. The committee, headed by Vic Konig, is doing a heads up job in attempting to carry on for the boys and girls. If enough interested adults can be contacted to act as chaperones, it is possible that the groups will meet separately, as they did last year.

That it was a great disappointment not to receive any written comments from readers with regard to their problems on the need to obtain Colorado river water by becoming a part of the MWD. An opinion was solicited in last week's issue. It is only in a democracy such as ours that individuals may express their beliefs freely.

That those of us who appeared on the show televised at Hollywood and Vine last Friday evening thank all of you who have given so generously of your compliments on our feeble attempt to advertise White Gold Day.

That it's "goodbye," Bill. Your friends will cherish memories of your carefree days on earth cut short by tragedy as you journey the broad, straight highways of eternity.

TEAMS FORMED IN FOOTBALL

Formation of a fourth and fifth grade football league resulted in several teams. They are named the Rams, Aztecs, TNT, Dons, Redskins, 49'ers, and Mayans.

Games played have resulted in the following scores: Rams 2, Aztecs 8; TNT 6, and Dons 0.

Games will continue throughout the next few weeks. The champions will be awarded ice cream.

Nazarene Church Rally Sunday

Rally Day will be observed Sunday, October 9, at the Church of the Nazarene. Special feature during the Sunday school hour will be a program presented by the children.

Rev. D. Swarth, formerly of Holland, now in charge of the American Indian work will be guest speaker. He will also show pictures and the public is cordially invited to attend.

"SUNDAY" DRIVERS CAUSE WRECKS

"Sunday Drivers" on the open highway, traveling at slow speeds cause accidents at times, reports the National Automobile Club. Those who insist upon traveling at a low rate of speed on two-lane highways, should pull off the road at intervals to allow the line of cars following to pass. To continue to delay other motorists may cause impatience on the part of some motorists and cause them to take dangerous chances in passing. Driving at one's own desired rate of speed is proper, but to cause others to risk their lives is a dangerous practice.

BAPTIST CHURCH BIBLE STUDY FRIDAY NIGHT

Rev. W. V. Buckner is conducting a Bible study class at the Baptist church every Friday evening at 7 p.m. His aim is to teach the facts of the word, and not the doctrines.

Current study is in the book of Genesis, the third chapter, "the fall of man."

It is hoped that members and friends who profess to be Christians may gain inspiration through this study of the Bible.

RELATIVE OF CYPRESS COUPLE IN TRAGIC DEATH

Mrs. Sally Reza, of Gay street, received word that the two-year old daughter of her brother-in-law and sister, Mr. and Mrs. Pete Escalante, of Corona died last week.

The child was riding in a truck driven by her 14-year-old brother. She fell out and the wheels of the vehicle passed over her body. She lived about three hours after the accident.

PUBLIC INVITED TO EXPRESS OPINIONS AT OPEN MEETING

All members of the community should be informed of the water supply in and around Cypress. The next meeting of the chamber of commerce Monday night will again be devoted to the subjec.t

On of the most important problems to come before the residents and property owners in the area, President "Dick" Hathcock has announced that the meeting will be open to the public. Everyone is invited to express his opinion either for or against joining the Metropolitan Water district at this time to receive Colorado river water.

Officials of the Southern California water company, which supplies two-thirds of the water to householders here, will be present to give a report on their supply and what to expect in the future. It is hoped that local ranchers and users of water will be present to give a picture of the conditions which exist in their individual cases.

M. B. Wellington, Santa Ana attorney who spoke at the last meeting, will return in order to answer questions or give any information which he can on the matter.

All who wish, whether members of the chamber or not are urged to be present.

PARK DISTRICT ELECTION

Don't forget the election to be held at the Cypress elementary school on October 18. Voters will be asked to ballot on the proposed formation of Cypress Park, Recreation and Parkway district.

Polls will be open at 7 a.m. and close at 7 p.m.

Members of the Orange county board of supervisors approved the election and set up boundaries for the park district at a meeting held September 13.

Know Her?

TO CROWN QUEEN — The pretty lass shown above is only one of the reasons so many people will be in Cypress, Saturday, October 8.

She is Delores Cardin, last year's Cypress White Gold Day Queen, who will crown the new ruler this year, a feature event among the day's activities.

Sleeping Man Falls From Truck On Lincoln Ave.

A freak accident caused serious head injuries to a Long Beach man Sunday afternoon when he fell out of a doorless truck as it sped along Lincoln avenue east of here.

Gilbert Collette, 43, of 3337 Oak, Long Beach, was a passenger in the truck driven by its owner, Jack La Verne Mullholland, 26, 109 E. Santa Fe Avenue, Fullerton. Collete was dozing when he lost his balance and fell head first onto the pavement.

According to Dr. Raymond Heilieman of St. Joseph's hospital in Orange where Collette was taken, the victim's condition is serious. He may have a possible skull fracture.

New Fire Truck Here For Parade

Joe Scherman, fire official, visited the Cypress volunteer firemen's organization at its regular meeting last Monday evening.

Two of the local firefighters, K. B. Giles and A. E. Arnold, attend a class at Orange Coast college every Thursday evening. Instruction is given in procedures and techniques to the students during the course of study.

It is hoped that the new fire truck to be received at the Cypress station will be fully equipped when it is delivered here in time for the parade Saturday so that it may remain permanently. Bigger than the truck used at present, it boasts a separate pumping unit.

Cage Team Being Formed By Merchants

Hoping to continue to carry Cypress" already fast-growing fame for producing rugged athletic teams into wider circles, Jim Wright now announces the formation of a Cypress Merchant's basketball team.

Wright held his first practice session this week in the Anaheim high school gym, and was highly pleased with the potential strength of the team.

With several former stars of other leagues on the roster, and plenty of height to rely on, chances for a highly successful season look good. The group will participate in the Anaheim "B" league.

Wright is issuing a call for merchant support for the team and has worked out a system whereby the cost per individual will be minimized. He explained that no one firm or concern will be publicized. The team will be strictly the Merchants.

Anyone interested in trying out for the team is asked to contact Wright.

Potential squad members now working out for the group are: Bill Hoyt, Joe Gardner, Bill (Lanky) Boeckler, Warren Mackay, Gorden Mackay, Glen (Salty) Falls, Jim Wright and Dale Kroesen, all of Cypress, and Elmer Carmichael of Buena Park.

Van Dykes Car Badly Damaged

To further add to the confusion of the last minute rush preparing for White Gold Day, general chairman Jake Van Dyke had the misfortune last Monday afternoon to be invovled in a traffic collision. When struck amidships by an '32 Chevie, the doors on the right side of his Buick were smashed and jammed and the impact turned the car almost completely around.

The accident occurred at the corner of 16th street and Vine in Artesia. It was thought that the woman driving the '32 Chevie involved in the crash must have stepped on the throttle instead of the brake.

Estimated cost to repair the car, which the Van Dyke's purchased in June, is $200. He was unhurt.

Holborows Host To Church Class

Mr. and Mrs. A. B. Holborow were hosts on Saturday evening to the young married group's Sunday School class at their home at 8611 Walker street. Guests numbered 32, and included members of the Church of the Nazarene class, as well as their families.

Beginning with a pot-luck dinner at seven o'clock, the meal was followed by a series of party games which occupied the evening.

S. L. Christopher, a patient at the naval hospital in Long Beach, spent Monday night at home with his family.

Mr. and Mrs. Louis Koeppen enjoyed dinner in Long Beach last Saturday evening. They were the guests of their children, the occasion being the celebration of their 35 wedding anniversary.

Mishap Takes Life

Death reached out suddenly and swiftly Saturday afternoon to snuff out the life of 29-year-old Bill Tallant, driver for the R & G Ready-mix concrete company.

Shocked friends could not believe the news as word filtered back from the scene of the accident. Up and down the business district, friends and acquaintances recalled last minute glimpses of the jovial Texan only a few moments before the run which proved to be fatal.

Hits Power Pole

Apparently Tallant had swerved to the right as he was driving east on Lincoln avenue. Driver of the car making a left turn to Grand avenue stopped suddenly. Talant's truck skidded on gravel, crashed into a power pole, and tore it off at the ground. The truck then toppled on its side, throwing the driver partly through the door and crushing him as it came to earth. As it turned on its side, the truck wheels crumpled the front of a coupe parked in front of the service station at 7742 Lincoln avenue.

Three Injured

Three other persons were injured in the crash when the heavy truck went out of control and smashed into the station after striking another car parked at the gas pumps and then overturned, pinioning Talant in his cab.

A coroner's jury sitting at Renaker's Mortuary Tuesday afternoon reached a verdict of accidental death in the case of Will H. Tallant, who was fatally injured in an accident at Grand and Lincoln October 1. Serving on the jury were Paul Kroesen, D. G. Dow, J. B. Sullivan, Arthur Smith, Elmer Lalicker and Henry Warren.

Hurt in the accident were Lyman Booth, 43, who operates the gas station; Mrs. Wilma Reynolds, 26, of Long Beach, driver of the car parked in Booth's station; and Mrs. Lena M. Day, 52, of Brookhurst road, Garden Grove. Mrs. Day, mother of Mrs. Reynolds, was taken to Anaheim Community hospital, reportedly with possible internal injuries and severe lacerations. Booth, who was knocked down by the cement spout on the truck, and Mrs. Reynolds, were given emergency treatment. Tallant's body was removed to the Renaker mortuary.

Burried Monday

Tallant was a familiar figure in Cypress, having driven for the R & G concern for over a year. This was the first accident in his long record of driving. He was a friend as well as an employee of Charles Grable, co-owner with Paul Rees, the two men having been reared in Wichita Falls, Texas.

Funeral services were held Monday afternoon from Sunnyside. He is survived by his widow, his mother, and brothers and sisters. His father preceded him in death only a few weeks ago.

Name Nominees For Council

At the student assembly September 30, four candidates for president were nominated. Nominating speeches were made by the students. Buddy Chambers nominated Narcia Ferreira. Ivey Giles spoke for Vevah Gail Bodkings and Karen made a speech for Mike Troop. Jimmy Coffman nominated Walter Beuck.

Other nominations were vice president, Leonard Slabaugh, Marna Boch and Mickey Gowyd; secretary, Terry Signer, Ivey Giles, Nolan Blackman and Mary Lou Hoxie; sergeant-at-arms, Paul Capron, Wayde Martin, Merlin Dean and Henry Mason. Safety captain nominees were Dick Prowse and Joe Cram.

The student council meets every Thursday.

R & G Ready-mix concrete firm was forced to shut down in the middle of the week due to lack of materials caused by a strike among workers at the producing pits.

Wins Queen Title

LAVERNE STANLEY

Pretty Cypress student who attends Anaheim high school sold the most television and barbecue tickets during the contest sponored by the White Gold Day committee, entitling her to reign as queen Saturday. When the sales were tallied Wednesday evening at the close of competition, Laverne had $379 for first prize which is a fall ensemble. Eligible for merchandise orders are second and third prize winners, Peggy Mills with $276 and Dorise Bouse, $261. The latter two "princesses" will ride in the parade, along with the honored queen.

P-T.A. Board Plans Events Coming Soon

Mrs. Dorothy Lukens, president, called a meeting of the executive boarl of the local P-T.A. recently to plan for activities to occur soon in this year's calendar of events.

Since the last of the series of dental lectures will occur on the regular meeting night, it was decided to use the lecture in lieu of a program. Dr. Raymond Temple, one of the two dentists lecturing, regards the final talk as one of he most important of the series, which needs to be heard by all. He will plan a menu for refreshments which will be carried out by seventh and eighth grade mothers.

The second regular meeting of the association falls on November 10. Since this is a holiday for the school because of teachers' institute, the date was postponed until November 17. A reception for the teachers, an annual event, will occur on that meeting night.

Mrs. Victor Konig heads the membership drive this year, which began October first.

A committee is preparing a budget which will be presented to the members at the next regular meeting. Increased enrollment and demands on the amount set aside for milk necessitates a revision of the association's fund spending, chief source of which is the carnival in the spring.

"Chuck" Brown, trick rider and movie extra who has made Cypress his home, was married in Downey last Saturday evening to Peggy Mong.

Many Accidents Over Week-end

Two were killed at 2:00 a.m. on Friday at Carmenita road and Imperial Hwy. when a car occupied by the victims crashed with a truck and trailer driven by Gustave Reinhold Peterson, 35, of 6641 Rostrata street, Buena Park. The dead are Mrs. Jane Wright, 35, and Bishop Martin Witherspoon, 37, both of Manhattan Beach. Witherspoon was pronounced dead on arrival at Artesia emergency clinic and Mrs. Wright died shortly after at a Long Beach hospital.

Injured

Three persons were hurt when a car driven by Kenneth J. Jordan, 25, of Whittier, was struck by a Southern Pacific freight train at the Grand avenue crossing, Buena Park, about 8:35 Friday night. Jordan was hospitalized with major injuries and his parents, Paul G. Jordan, 64, and Mrs. Alice G. Jordan, 59, were given emergency care. The engineer of the train was James E. McGraw, 59, of North Hollywood, who told officers that the automatic wigwag was operating and that the car attempted to beat the train across the tracks.

Three others fere hurt, two of them seriously at Imperial Hwy. and La Mirada Rd., north of Buena Park, about 3:15 a.m. Saturday morning. A car driven by Wallace Lee Skaggs, 23, of La Habra, plowed head on into a car operated by Hubert I. Giffel, 30, of Seal Beach, after swerving sharply to avoid striking a car operated by Richard R. White, 32, of 3939 E. Third street, Long Beach, whose car was not struck. Giffel and his wife, Margaret, 32, both with serious injuries and Skaggs were hospitalized.

More Injured

Five were hurt, three probably seriously in a crash about 7:25 p.m. Friday at Orangethorpe Blvd. and Hanson road, Buena Park, involving cars driven by George I. Hayashi, 28, of Los Angeles and Lee H. Self, 41, of 5839 Brier Crest, Bellflower. Major hurts were suffered by Self, and his 18-month-old daughter, Karen, and by Ichi Kaminaka, 55, of Los Angeles. All were taken to Fullerton hospital. Mrs. Barbara Self, 26, and Hayashi were slightly injured.

Four U. S. Marines and a Los Angeles man were injured about 11:40 Sunday night at Manchester and Orangethorpe boulevards when a car driven by Cpl. Robert E. Bradley, 20, of Camp Pendleton, rammed the rear of a machine driven by Spencer L. Wyatt, 31 of Los Angeles. Both drivers and Bradley's passengers, U. S. Marines Jack L. Wells, 19, Eugene Cash, 22, and Ramon M. Davila, 19, all of Pendleton, were taken to the Fullerton General hospital for treatment of minor injuries.

James G. Moody, 33, of Long Beach, suffered minor injuries Monday night when his car overturned at Hwy. 39 and Stanton avenues, south of Buena Park. He was taken to Anaheim Community hospital by Crane ambulance, treated for cuts and bruises and later released.

Big 10 a.m. Parade Touches Off Events

With a carnival going full blast on the school grounds all day and evening, this year's version of White Gold day promises plenty of fun and entertainment for everyone.

To start at ten o'clock, the line of march will move down Walker from Crescent street, turning west on to Lincoln avenue. The pet parade will be first with a lively spectacle following which will include bands, majorette groups, riding clubs, floats and silver mounted horses among the entries.

Immediately after the parade, trophies and prizes will be awarded, and the Rhythm Riders will present their square dance on horseback.

BARBECUE

Barbecue dinners, to be served from 11:30 a.m. to 1 p.m. and again at 5 p.m. until 7 o'clock will be one of the main features of the celebration. The free entertainment from the platform is sure to be a hit with Dick Stanton and his Harmony Lads headlining the program. Rope tricks, performed to musical accompaniment by a young lady is another popular attraction.

PLENTY OF FUN

All kinds of concessions will be operating during the carnival. Civic organization and youth groups sponsor the various booths and stands. An added exhibit this year will be the opportunity to view a midget bull, billed as the smallest in the the United States. Lou Serre, of Hawaiian Gardens, is the owner.

No matter which way the election October 18 goes which will decide whether or not the Cypress park should be taken over by the county, the proceeds from White Gold Day will be used to advantage. Profits can still be used by the park board for furthering recreational development on the park site.

V. F. W. Works On Building For Civic Use

With building a club house in mind that will serve as a civic entertainment center, the Cypress VFW post no. 9847 will stage a benefit masquerade dance Saturday night, October 29.

The need for a club room in Cypress that would be available to civic organizations and that was equipped with kitchen and serving facilities, has long been felt by local groups, said H. J. G. Kreissler, in speaking for the VFW post of which he is commander.

The local post hopes to raise enough money through their building fund, which has been started for some time, to build such a place. It will be available to all responsible organizations.

At Cypress Airpark

With Hallo'een approaching, the dance in the new hangar at Jim Bryant's Cypress Airpark, will be a masquerade affair. There will be a fine orchestra, refreshments, door prizes and fun for all, say the committeemen working on the project. Tickets are available from any VFW member.

STATE EARMARKS FUND OF $125,000 FOR HIGHWAY 39

A $125,000 sum is earmarked in the State Highway Commissions 1950-51 fiscal year budget for rights-of-way for Huntington Beach blvd. — Grand avenue, it was learned this week.

The budget includes the highway 39 item as its major outlay and forecasts, according to the commission's plans, actual appropriations and probable start of improvement work in 1951-52 fiscal year.

Money required for improvements after rights-of-way are purchased would amount to about $550,000, it was indicated.

Dr. L. F. Whitaker, Buena Park, president of the Highway 39 Association, said that his organization has been working on the planned improvement for years.

INSTALL FIXTURES

Workmen began Monday to install fixtures in the store space owned by A. E. Arnold which is to be occupied by Western Auto Supply. Del Moeckly, manager, stated he believed the firm would be ready to open about November first.

Mr. and Mrs. Moeckly and their nine-year old daughter, Maureen, will move here from Gardena as soon as they sell their house.

The first issue of the Cypress school paper was published Friday, September 30. Our first paper was a little hard to get out as we didn't have much time. There were mistakes, but we hope to have fewer next time.

We charged one cent for each paper and 10 cents for a yearly subscription. So far we have collected $2.80,which we will keep to pay for our last paper.

TEACHERS ILL

Mrs. Thompson, fourth grade teacher from Long Beach, was out with a cold and slight "flu" last Thursday and Friday. Mrs. Weber substituted for her.

This week, Mrs. Harding, the other fourth grade teacher, also from Long Beach, is absent from school with the "flu". Mrs. Weber is now subtituting for Miss Harding. We hope that none of the other teachers will get sick with a cold, "flu", or any disease.
